RE: 138 kv line update meeting

Because some people were unable to attend the Columbus area meeting with First Energy and the Power Siting Board, I would like to invite you all to a meeting to discuss the project. We have reserved the Montville Township Community Center for 8:30 am on Monday, September 24<sup>th</sup>.

Please feel free to share this notice with any local interested parties. Everyone is welcome to attend; however, I would encourage any elected official with an interest in attending to contact my office so that we have an idea of who is coming.

If you have any additional questions, please do not hesitate to contact me.
